

Sinclair
Broadcasting's
decision to force
their stations to
air an anti-Kerry
documentary days
before the election
is a clear example
of the dangers of
media consolidation
and misuse of public
airwaves. This is
exactly what I was
afraid of with the
consolidation of
media ownership.

Sinclair is using
the public airwaves
FREE OF CHARGE, and
is obligated by law
to serve the public
interest. Let me
emphasis PUBLIC
interest, not
one-sided political
interest! But when
large companies
control the
airwaves, we get
more of what's good
for the bottom line
and less of what we
need for our
democracy.

Sinclair's actions
show why we need to
strengthen media
ownership rules, not
weaken them. They
show why the license
renewal process
needs to involve
more than a returned
postcard. What
Sinclair is doing is
so Un-American and
so ethically
immoral! Please
don't allow this to
happen! This is not
a good example of
democracy and I hope
and pray that you,
the FCC will step in
and make this right.

Thank you.
